

Big Sound Remy Bio

Remy is an indie pop/alternative singer/songwriter and produces his own songs who has been making waves on streaming platforms. Remy started writing and producing songs during quarantine and has since found a love for creating music. Remy's incredible vocals and skilled guitar playing create a fun and easy-listening experience that will have you hooked from the first note.

With a sound influenced by pop, alternative rock, indie folk, and shoegaze, Remy's broad influence creates a unique blend of sounds that are fun to listen to.

Remy is the first soloist to win the grand prize of Sandgate Youth Festival in 2023, 2024 best original song winner, City of Moreton Bay Youth Week Competition, performed in Woodford Folk Festival as part of inaugural 2024-2025 Apra Amcos Woodfordia Songmakers school and Brisbane City 2025 Qube Effect Best Original Song Awardee.
